The 2022 Rocky Mountain Neurosurgical Society Meeting will be held from June 18th through June 22nd at The Coeur d'Alene Resort, Coeur d'Alene, Idaho. Dr. Brad Duhon is serving as the local arrangements chairperson, and is putting together an exciting array of activities for members, guests, and their families in this beautiful location.

The venue for the 56th annual meeting is located in the panhandle of Idaho on the shores of a lake that is world renowned for its beauty. Coeur d'Alene is a popular destination and is filled with outdoor activities in the summer. This wonderful resort promises to offer the usual relaxing yet fun-filled experience that our membership and their families have come to expect. The usual robust scientific program will take place during the mornings, with the afternoons open to participate in one of our planned activities, or just relax and enjoy spending time with family or reconnecting with old friends. Social activities include a dinner cruise on beautiful Lake Coeur d'Alene, our annual golf and tennis tournaments, and the closing night awards banquet and dance!

The hotel property sits lakeside and features breathtaking views of Lake Coeur d'Alene. Within walking distance of the hotel is downtown Coeur d'Alene, which offers shopping and restaurants. Silverwood Theme Park and Boulder Beach Water Park are a short drive away. There are multiple outdoor activities available including fly fishing, hiking, mountain biking, horseback riding, and whitewater rafting. Attendees may want to take advantage of the proximity to several beautiful national forests and extend their time in the area to visit these incredible natural areas.

Please register for the meeting online at www.rmns.org

Exhibitors

As always, we have the pleasure of welcoming the following exhibitors to the Rocky Mountain Neurosurgical Society's annual meeting:

Scientific Program
Dr. Brad Lega is this year's Scientific Program Chairman and is preparing a stimulating program. The conference facilities at the hotel will provide the perfect location for the open exchange of ideas and discussion of interesting neurosurgical topics. We are pleased to announce that our President, Dr. Joseph Sramek, has selected our two honored guest speakers. We welcome **Linda Liau, MD, PhD, MBA,** W. Eugene Stern Endowed Chair of Neurosurgery, David Geffen School of Medicine, UCLA; Professor and Director of the UCLA Brain Tumor Program; and **Richard Byrne, MD,** Chairman, Department of Neurosurgery at Rush University; Roger C. Bone, MD Presidential Professor, Department of Neurosurgery, Rush Medical College; Medical Director, University Neurosurgery. As always, we are privileged to have suchdistinguished contributors to our scientific program.

Scientific Awards
Again, this year we will have the Resident Award Competition to entice resident participation and ongoing meeting attendance. Thanks to our membership participation, awards will be $750, $500, $250 for 1st through 3rd place, with $500 travel reimbursement to the programs of the first 10 residents registering for our meeting. Donot forget the Annual Academy Cup to be presented for the best paper from a practicing neurosurgeon (active or associate member). As in the past, we encourage youto bring interesting or difficult "Firing Line" cases for presentation and discussion with our distinguished guest professors.

Abstracts
We encourage you to submit your abstracts online at rmns.org. Deadline is May 9, 2022. For questions regarding abstract submissions, please contact Jessie Tarnow (jessietarnow@gmail.com). We are always looking for interesting talks and this is a great venue to discuss pre-liminary findings or case studies.

Joint Providership Accreditation statement
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the AANS and the Rocky Mountain Neurosurgical Society. The AANS is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement
Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
Before the program, anyone in control of the educational content of this activity will disclose the existence of any financial interest and/or the relationship they or their significant other have with the manufacturer(s) of any commercial product(s) to be discussed during their presentation. Disclosures will be included in the final program.

Membership Committee
The Membership Committee and the Executive Committee are reviewing applicants for membership in the Society.

Final approval will be determined by a vote of the membership at the annual business meeting. The Society encourages membership applications from those practitioners within our geographic boundaries who specialize in neurosurgery or the allied neurosciences. Applications are filed online through the RMNS website (www.rmns.org). We encourage applicants to submit their application six months in advance of the annual meeting to ensure consideration for membership that year.

Other News
As always, the leadership of the organization continues to look for outstanding venues for future meetings. Girdwood, AK is being targeted as the site for the 2023 meeting, while San Antonio, TX is being considered in 2024. Final plans will be announced at this year's meeting.
